Witness the exhibition that literally gets under your skin and where nobody can remain indifferent. Over 35 million visitors worldwide have already admired them: the authentic anatomical specimens from Dr. Gunther von Hagens – uniquely beautiful and instructive. Experience a digital reunion with “The Runner”, “The Chess Player”, “The Skin Man” and other plastinates. Meet the mind behind BODY WORLDS, his pioneering invention, his work.

You will find on this DVD

- a commented tour of the exhibition
- explanations on the revolutionary Plastination technique
- fascinating pictures of the creation of the mega-plastinate
“Rearing Horse with Rider”
- an interview with Dr. Gunther von Hagens,
inventor of Plastination and creator of the exhibits
- information on the exhibition

In four languages: English, French, Dutch and German · Duration: approx. 70 min.
